Who We Are

Drew's Trips is a family-run company providing recreation and travel services for people with disabilities.

Drew's Trips

The company has been in business since 1983 and is managed by a father-daughter duo, Drew and Alexia.

Drew has been in the field of Special Education and Special Needs Travel/Recreation since 1974. He started his career as a special education teacher and soon realized that there was a need for social activities for people with disabilities and thus, Drew's Trips was born.

Alexia has worked for Drew's Trips for most of her life, taking some time to study and work as a Special Education Teacher in New York as well as an Education in Emergencies Specialist around the world.

“Every client is treated like family.”

Each program and trip we offer provides a supportive, safe, and above all, happy experience for those we serve. Every client is treated like family as we provide an atmosphere that is casual, friendly, upbeat, and sparked with fun.

From day trips in Boston to vacations to Italy, to exciting cruises, you name it and we've done it. Our clients have traveled to Europe, the Caribbean, and throughout the United States from Maine to Alaska, Hawaii to Disney World with us. We also offer exciting day and weekend trips throughout New England and New York City.

Drew's Trips Lost a Good Friend of Many Years

It is with a heavy heart that Drew and Alexia announce the passing of Spencer Decker who attended "Drew's Trips" for over 20 years. Spencer, 67, passed away peacefully over the Labor Day Weekend. Drew had known him for many years. He loved the trips, and we loved having him. Rest in peace, buddy.
